As the Royal Mews celebrates its 200th anniversary, we will look back at two centuries of horses, carriages and Coronation pomp. We will witness the daily work of the Royal Mews staff, from the feeding, exercising and training of the Windsor Gray and Cleveland Bay Horses to work that takes place in the harness room.

We will see historic carriages, there will be modern coaches, including Diamond Jubilee State Coach, but the highlight of the visit will be to see the Golden State Coach.

50% of the tour is out in the open, just hope we have a dry day,
