13th September. On the way up to Chester, we will visit the Georgian Shrugborough Hall, a National Trust property, filled with global treasures. Discover a world of glamour and royalty in the apartment of Patrick Lichfield, 5th Earl and fashion photographer before experiencing a total contrast in the complete servants' quarters.

14th September. In the morning we will take a River Explorer Cruise on the Mersey ferry, where we will see Liverpool's world-famous waterfront and find out about the river's history. We will then disembark at Pier Head and visit the Beatles Story to enjoy an immersive journey through time into the lives and music of The Beatles.

15th September. Travel to Liverpool Anglican Cathedral, the largest Cathedral in Britain and the 5th largest in the world, and time permitting visit the Liverpool Metropolitan Cathedral (Catholic). In the afternoon we will have a guided tour of the Grade I listed St Georges Hall, one of the finest examples of neoclassical architecture in the world. We will see the cells and courtroom, Great Hall and concert room. Visit Crosby Beach to see Another Place Antony Gormley statues.

16th September. We will visit Port Sunlight, the village founded by the 'Soap King' William Hesketh Lever in 1888 to house the Sunlight Soap Factory workers. A one-hour guided tour by coach will highlight the beautiful buildings and gardens, followed by admission to the museum, Edwardian Workers Cottage, Soapworks and Art Gallery. In the afternoon we will visit the Royal Horticultural Society's newest garden at Bridgwater.
